WHEREAS, the Riverhead Town Board is in receipt of a petition dated February 10, 2000 from Riverhead Centre, LLC, for special permits to allow the construction of a lumberyard in an Industrial A zone, pursuant to section 108-45(B) of the Town Zoning Ordinance, and to increase the permitted density from 15% to 16.32% in a Business B zone, pursuant to the Town Zoning Ordinance's Zoning District Use Schedule, on real property located at Mill Road and Route 58, Riverhead; such real property more particularly described as Suffolk County Tax Map Parcel Nos. 0600-101-2-p/o 4; p/o 5; p/o 6; 6.3, 9.1, 9.3; 10 and 11, and

WHEREAS, the Riverhead Town Board in the consideration of this special permit petition and a separate change of zone petition regarding that same real property, by resolution #570 of 1999, declared the actions necessary for the development planned by the applicant to be a Type I action requiring the preparation of a Draft Supplemental Impact Statement (DSEIS) pursuant to the State Environmental Quality Review Act (SEQRA), and

WHEREAS, by resolution # 939 of 1999, the Town Board accepted the DSEIS as complete, and

WHEREAS, by resolution # 61 of 2000, the Town Board accepted the Final Supplemental Environmental Impact Statement (FSEIS) as accurate and complete, and

WHEREAS, by resolution # 153 of 2000, the Town Board adopted SEQRA Findings, which SEQRA Findings are incorporated herein by reference, and amended the Zoning Use District Map respecting the subject real property, changing the zoning classifications applicable to the subject real property from Industrial A, Business B, Agricultural A and Residence C to Industrial A and Business B, subject to certain conditions set forth therein, and

WHEREAS, the Town Board referred the instant special permit petition to the Riverhead Planning Board for its report and recommendation on February 15, 2000 and, by resolution dated February 29, 2000, the Planning Board recommended approval of the instant special permit petition subject the condition that, prior to the approval of the instant petition, the Town Board require the recording of covenants and restrictions which would require the subject real property to be developed in accordance with the conditions set forth in resolution # 153 of 2000, which resolution is incorporated herein by reference, and

867

WHEREAS, on May 11, 2000, the applicant recorded covenants and restrictions which would require the subject real property to be developed in accordance with the conditions set forth in resolution # 153 of 2000, and thus has met the conditions of approval set forth in the Planning Board's February 29, 2000 resolution, and

WHEREAS, the Town Board referred the instant special permit petition to the Suffolk County Planning Commission, and such Commission resolved on March 2, 2000 to disapprove the instant special permit applications on various grounds, and such disapproval requires the Town Board to approve the instant special permit petition by a super-majority, and

WHEREAS, a public hearing duly noticed on the instant special permit petition was held by the Town Board on April 4, 2000 pursuant to Section 108-3.E(2) of the Riverhead Zoning Ordinance and Section 265 of the Town Law, and

WHEREAS, a second public hearing duly noticed on the instant special permit petition was held by the Town Board on May 2, 2000 pursuant to Section 108-3.E(2) of the Riverhead Zoning Ordinance and Section 265 of the Town Law, and

WHEREAS, the Town Board has carefully considered the merits of this special permit petition, the recommendation of the Riverhead Planning Board, the report of the Riverhead Planning Department, the SEQRA record created to date, including the SEQRA Findings adopted by the Town Board by resolution # 153 of 2000, the commentary made at the public hearings, the resolution of the Suffolk County Planning Commission, as well as all other relevant planning, zoning and environmental information, now

THEREFORE, BE IT

RESOLVED, that based upon the recommendation of the Riverhead Planning Board and the report of the Riverhead Planning Department, the Town Board hereby finds:

FIRST: That the Industrial A portion of the subject real property is suitable for a lumberyard use, and that such lumberyard use existed on a portion of the real property from the 1950s through 1991;

SECOND: That the Business B portion of the subject real property is suitable for commercial and retail uses;

THIRD: That adequate access to the subject property's facilities will be provided;

FOURTH: That the project as designed provides for parking in excess of that required by the Zoning Ordinance;

FIFTH: That adequate buffer yards and landscaped areas have been provided to protect adjacent properties;

SIXTH: That adequate provisions have been made for the collection of stormwater and the treatment of sanitary waste water; and

SEVENTH: That the Town's existing municipal services and facilities are adequate to provide for the needs of the proposed uses; and

BE IT FURTHER

RESOLVED, that in the matter of the subject special permit petition, the Riverhead Town Board makes the following further findings:

FIRST: That the proposed lumberyard use in the Industrial A zone and the increased lot coverage in the Business B zone will not impair the orderly development of other properties within the neighborhood;

SECOND: That the benefits of the proposed lumberyard use in the Industrial A zone and increased lot coverage in the Business B zone, which include, but are not limited to, the enhancement of consumer value, choice and convenience, significant employment opportunities, substantial real property taxes and orderly development along the Route 58 corridor, far outweigh any disadvantages to the neighborhood resulting from the location of the uses at the site, which disadvantages have been eliminated or mitigated to the extent practicable;
